WELCOME TO 2024 SUMMER CLASSES AT STUDIO 48!

Classes start the week of June 10 - . We encourage you to come in early to pick up any dance attire you may need. For our little dancers, **we do NOT allow the cloth ballet slipper or ballet shoes with laces** that is sold in some large retail stores. They are simply not designed to dance in. Please visit our webpage under Class Information to determine what you will need to wear for your specific class. Studio 48 conveniently carries most everything you will need, we have great products and competitive prices on dance shoes, leos, dance bags etc. Although we don't require it, we highly recommend our dance shoes and apparel.

Parents time - This will be the last 10 minutes of the first class of the month, 1-2 parents are invited to attend. **The Recital is the best time for grandparents and siblings to see and support your dancers.**

New Payment System for Summer 2024 - (non Comp Classes) For Summer, we have divided summer into 3 payments that **INCLUDE** the performance Package. First payment was made when you registered for your class. The Second Payment will be due **June 14** and the **final payment due July 1**. There will not be any payments due in August.
